

Please find below the traffic management update for the M1 junction 13 to 16 scheme for the week commencing Monday 26 April 2021.

Highways England's priority at the moment is to play its part in keeping the country safe and supporting the movement of essential supplies, services and people who cannot work from home. We are following the government's policy which is that construction activity should continue where it can be done safely. All our sites have strict safeguarding measures, in line with Public Health England guidance, to prevent the spread of COVID19 and none of our sites are open to the public.

Roadworks affect all journeys which is why it is important they are completed as quickly and safely as possible. We are keeping all aspects of our overnight closures under constant review during this period and will aim where possible to open the road earlier than the times displayed.
